About the IIA (Institute of Internal Auditors)

Established in 1941, The Institute of Internal Auditors (IIA) is an international professional association of more than 130,000 members with global headquarters in Altamonte Springs, Fla., United States. Throughout the world, The IIA is recognized as the internal audit profession's leader in certification, education, research, and technological guidance.

About the CIA Designation

The Certified Internal Auditor (CIA) designation reflects competence in the principles and practices of internal auditing and has served as the ONLY internationally accepted designation for internal auditors. Attaining the CIA designation outwardly signifies your achievement and commitment to the profession. Whether you choose to stay within the field of internal auditing or move up within your organization, the broad-based understanding of business, risk, and control required of CIAs will serve as an invaluable base of knowledge.

Helping you study- Anytime, Anywhere

Helping you study anytime, anywhere

The HOCK Study Materials are aligned with the IIA's new 2009 IPPF.

The HOCK CIA Preparatory Program

The HOCK CIA Program is a complete preparatory program. Unlike "self-study" systems, you will not study alone. Our experienced staff is available to answer questions, and online discussions with fellow students round out your learning experience.

Our materials are comprehensive, easy-to-read and provide exactly the right information to pass your exams. The HOCK also accommodates non-native English speakers and those who don't have an academic background in U.S. accounting. All that is required is a basic understanding of accounting fundamentals and algebra. What makes Hock CIA Preparatory Program special is that it has been designed for candidates who's first language is not English

Using tools like easy English and complete explanation and answers is what makes Hock Preparatory program the first choice of the CIA candidates in the middle east.

The Study Materials - everything you need to pass the exams

The Study Materials include electronic (downloaded) access to all of the components listed here. All documents can be viewed on the screen and/or printed. We also offer Printed Study Materials that include hard copies of the Textbooks.

Textbook The textbook is the foundation of our program and provides complete background, explanations and examples. There is no need to purchase other books or reference materials.

Flash Cards Our most popular review tool, the flash cards are valuable when study time is limited. They are convenient to carry with you for quick review anytime, anywhere.

ExamSuccess

Study Software The Exam Success Study Software has thousands of questions, sorted by topic, along with detailed answer explanations and is a critical element of the HOCK program. The exam Success software will provide you with the most advanced facilities like study sessions, Exam Simulation as well as a detailed graph of your study performance analyses.

Study Plan The study plan guides you through what to focus on during the different weeks of study required for each exam, but you can adapt it to fit your individual schedule using our online Personalized Study Plan. By selecting a date to begin studying and a target exam date, a Personalized Study Plan will automatically adjust the standard Study Plans to your schedule. You can also have your Personalized Study Plan emailed to you at the beginning of each week.

Free Updates We regularly update our Study Materials to reflect changes in accounting standards or the exam content, as well as to make clarifications and corrections. You will be able to download updated material at no charge whenever new materials are posted online.

Hock Support As you study, Live lectures will be conducted at The Institute of Swift Learning by well trained, highly qualified and dual certified lecturers. In addition to that the Hock Team will also be available 24/7 to answer any questions or confusions that were not cleared in the classroom via email to make sure that you pass in the first attempt.

Mock Exam The mock exam with HOCK-developed questions provides a measure for your exam readiness and is a solid last review before taking the actual exams. The Mock Exams will be conducted at The Institute of Swift Learning at the end of every part.
